- JavaScript
- React.js
- Tailwind CSS
- Authentication
- Node.js
- Express.js
- MongoDB
- Team Collaboration
- REST APIs
- Git/GitHub
- Interpersonal skills
- Deployment

EDUCATION

DELHI TECHNOLOGICAL UNIVERSITY – Delhi, India   *Aug 2023 - Present*
Bachelor of Technology,Software Engineering; CGPA: 8.08

Govt. Co-Ed. Sarvodaya Vidyalaya – Sec-22, rohini   *May 2023*
- CBSE Class XII; Graduated with 95.8%
- CBSE Class X; Graduated with 92.4%

KEY PROJECTS

Lockr - Password Manager   *Live Demo*
- Built a secure password manager using **React.js**, **Express.js**, **Node.js**, and **MongoDB**. Implemented password storage, edit/delete functionality, and form validation. Styled with **Tailwind CSS** and deployed via **Render (backend)** and **Vercel (frontend)**.

Linkly – URL Shortener   *Code*
- Developed a sleek URL shortening web app with **React.js** and **Next.js**. Implemented **dynamic routing**, **MongoDB-based link storage**, and responsive design with **Tailwind CSS**.

Taskly – To-Do App   *Live Demo*
- Created a task management app using **React.js** and **Tailwind CSS**. Tasks are stored using the browser's **localStorage** to allow persistence without a backend. Designed for a clean and responsive UX.

CERTIFICATIONS

- **MERN Stack Web Development** – Unstop

- **Learn Git & GitHub** – Unstop

- **Junior MBA Project** – Clever Harvey

ADDITIONAL

Extra-Curricular Activities:
- **Athlete Coordinator, Calisthenics Club, DTU:** Helped over 100 students achieve their fitness goals by managing and guiding calisthenics training programs, organizing and leading sessions, demonstrating strong leadership and a commitment to team growth.
